

Occupational Health and Safety Policy

Display International Schwendinger GmbH & Co. KG

By creating and maintaining a safe, healthy and productive work environment and a comprehensive health management, we are contributing to the continuation and success of our company.

We put the safety and health protection of all employees of our company first and are committed to maintaining their well-being. We take all necessary measures for this purpose.

We are committed to complying with the occupational health and safety laws that are relevant to our company as well as to the established binding obligations.

All employees are aware of their responsibility, contribute to preventing accidents, illnesses and reciprocal endangerments in the work place and are involved in decisions that are relevant to occupational health and safety.

In order to meet this standard in all areas of the company at all times, a comprehensive occupational health and safety system is used in accordance with ISO 45001, which is applied and further developed within the context of continuous improvement.
